

Enforcer™ High-Density Can Liners

Elevate your waste management game with our High-Density Can Liners, designed to handle standard refuse with exceptional strength and puncture resistance.

- Crafted from **premium prime resin** for uncompromised quality
- Delivers outstanding durability and reliability
- Provides an effective shield against gases, moisture, and odors
- Engineered with **X-Seal design** to minimize leaks and reduce punctures by evenly distributing weight – even with heavy liquid waste.
